MARGARET ILGENFRIE - ORCHIDS

Monroe, Michigan March 14, 1953

Dear Customer:

Here is another space maker for me and a saver for you. We are crowded again and must make room for the seedlings we are transplanting. All plants are nice and descriptions are accurate. Please make a second and third choice since these plants are one of a kind. Orders will be filled in rotation. Also please indicate if you will allow me to send something of equal value in similar color in case all your choices are gone.

Sincerely yours,

Margaret Ilgenfritz
